THE POWER TO CREATE BETTER LIGHT ™

BAA/TAA Compliant LED Channel Retrofit Kit 4ft Channel

APPLICATIONS

This advanced channel retrofit kit easily converts 4ft Channel fluorescent wide strips to the most current LED technology. Its ultra high efficiency reduces energy costs. It is one of the LED channel retrofits that comes completely assembled as a lensed kit, requiring only one minute to install, reducing labor costs. The retrofit kit is also 0-10V Dimmable with 5 Year Warranty. Ideal applications include: office, retail, healthcare, education and hospitality interiors.

PERFORMANCE

The VEK series uses the latest LED technology and LED driver to ensure steady performance and long lifetime.

INSTALLATION

The Channel Retrofit Kit provides the ideal way to replace existing 4ft Channel fixture, utilizing the existing fixture housing. The kit provides all the components needed to perform the change out quickly and efficiently, allowing for system upgrades without disturbing the ceiling. The LED channel retrofit is designed for width of 4.25" to 5.25" and a minimum depth of 1.625" T8/T12 fluorescent wide strips.
*Emergency Driver Solution Option

Specification Data

Model No.	Watts	Lumens	CCT	Efficacy	Input Voltage	Dimming	Life	THD
